

Introducing New Workplace Spanish® Learning Tools for Hotels & Hospitality

Roswell, GA, October, 21 2008 - Workplace Spanish, Inc. has added “Hotels & Hospitality” to its repertoire of Spanish learning materials. The new learning program will help English speaking managers and supervisors in the hospitality business communicate with their Spanish speaking staff members.

“Workplace Spanish® for Hotels & Hospitality” was developed specifically for hotels, motels and other hospitality properties where basic, effective Spanish will improve communication and teamwork with Hispanic associates resulting in higher quality service and property maintenance. The 75-page, 2 audio CD program covers all the important conversational expressions as well as supervisory and hotel-related topics including Interviewing, Scheduling, Job Rules, Standards, Safety, Accident & Emergencies, Hotel Terminology & Locations, Housekeeping, Laundry and Property Maintenance.

Tom Sutula, President of Workplace Spanish, Inc. stated “The hotel and hospitality industry was in dire need of an easy Spanish learning program like this to help keep their business running smoothly. With today’s diverse workforce, speaking even a little job-specific Spanish will translate into better understanding, teamwork and efficiency, which pays off in smoother operations and enhanced profitability.” For more information please visit www.workplacespanish.com or e-mail info@workplacespanish.com.

About Workplace Spanish, Inc.

Founded in 1998, Workplace Spanish, Inc. develops job-specific learning materials for both English and Spanish-speakers. Designed for time-stressed adults in government, industry, health care and education, the company’s materials are easy-to-use and non-academic; they do not require prior language training. Workplace Spanish® programs have been used by over 350 colleges and schools across the country and are suitable for class training or self-study.
