

## Quick, Easy Spanish for Workplace Communication

ISBN # 978-1-930134-78-2\*\*

Workplace Spanish® [Learning Kit](#) includes:

- Easy-to-use Spanish learning manual
- Companion audio CD included
- “Click It®” CD-ROM for PC use included

**Learn it today . . . Speak Spanish right away**

Workplace Spanish® materials include both job-specific and conversational expressions. No grammar, complex rules or verb conjugations to learn. Designed for newcomers to Spanish; prior experience not necessary.

### Workplace Spanish® for Health Care

**Designed for** a wide variety of health care professionals including nurses, doctors, technicians and office administrative staff.

**The objective** of this program is to help English-speakers communicate with Spanish-speaking patients, and their families, to assess symptoms & illness and explain treatment and care.

The **52-page** learning manual audio CD and Click It® CD-ROM contain over **800** health care and conversational terms and expressions organized into topics and practice conversations.

**Key topics include:**

- Spanish & phonetic pronunciation
- Greeting patients & asking language questions
- Getting personal & medical information
- Examining & treating patients
- Body parts & organs in Spanish
- Medicines & medical specialties

### About Workplace Spanish®

Founded in 1998, Workplace Spanish, Inc. develops and publishes job-specific language learning tools for both English and Spanish speakers that are designed to improve communication, teamwork and productivity.

Our job-specific learning programs have been used by over [100,000 customers](#) in business & industry, health care, government, law enforcement & education. Custom versions are available to meet specific needs.

More than [400 colleges and schools](#) have used our learning tools for workforce training and adult education in their local communities.
